

GATEWORKS

INNOVATIONS FOR EMBEDDED DESIGNS

Date: April 26th, 2021

Subject: Product ECCN Classification. The products listed in the table below are produced by Gateworks Corporation and manufactured in the USA.

Country of Origin: USA

ECCN: 5A992 NLR (No License Required). Items classified as ECCN 5A992 are controlled by the U.S. Government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s). These items may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.

Gateworks products may not be exported or re-exported, either directly or indirectly to any of the U.S. embargoed or restricted destinations, or to companies or citizens/nationals of those countries without prior authorization from the applicable U.S. Government agency. The list of embargoed destinations is subject to change at any time and current information should be obtained directly from the appropriate U.S. government agencies.

Gateworks products may not be exported or re-exported, either directly or indirectly to a person or entity barred by the U.S. Government from participating in export activities. Denied persons include those individuals or entities listed on the Commerce & Treasury Department's Denied Persons and Entity Lists. These lists are subject to change at any time and current information should be obtained directly from the appropriate U.S. government agencies.

HTS Code (US Schedule B) 10-Digit: 8517.70.0000 = Parts, **6-Digit:** 8517.70 = Parts

The board models include the following plus any derivative customer specials (denoted with the base product number followed with a SPxxx suffix. Note other models' derivations also fall under this classification. Contact sales@gateworks.com for further information or for other model numbers not listed below.
